Employee of the Month

What is Employee of the Month?

Employee of the Month is one of appreciation given by Patra SK to its employees and at the same time to encourage employees to have better performance. The EOM is entitled to EOM certificate, EOM pin and some rupiahs as an award.

Is there any possibility to have Employee of the Year in the near future?

Mr. Sohn Hoon Tae as the Operations Director of Patra SK explained that such possibility always exists, except for 2012 since EOM had just started in July and it was too early to have EOY in 2012.

How is EOM selected?

Each member of BOD recommends one person for then to be chosen which one is to be awarded. The person chosen is based on his/her performance and diligence within that month. These criteria of EOM have slight difference to the criteria of having promotion which focus more on loyalty, attitude and mindset.

EOM of 2012 :

- ✓ Mrs. Adhitya Remitasari
- ✓ Mrs. Astrid Yulastuti
- ✓ Mr. Eddywansyah Ikhsan
- ✓ Mr. Rifa E. Yanuar
- ✓ Ms. Dara Ayunda
- ✓ Mr. Febriano Ranti

Patra SK's Grant for Flood Victims in Jakarta

Terrible flood hit Jakarta on Thursday, 17 January 2013. It did not only destroy many public facilities but it also hampered the economic activities because so many employees in Jakarta could not even reach their offices.

Patra SK shows its concerns towards the flood victims by giving grants amounting to Rp 100,000,000 (about ~~¥~~ 12,000,000) through Indonesian Red Cross (*Palang Merah Indonesia*) on Friday, 1 February 2013. The grant was given directly by the President Director of Patra SK to the Secretariat General of Indonesian Red Cross, Mr. Budi Adiputro, in their office in South Jakarta. We all hope that everything and everyone who is affected by the flood in Jakarta to be fine and back to normal soon.
